

MindGiant Media

“Elevating Thought through Sight & Sound”

Brand Development Services

If you answer “yes” to the following questions, hire MindGiant Media today....

1. Do you realize the benefits of Social Media, but don’t have the time, knowledge or energy to Do it Right?
2. Do you want to be viewed as an Expert in your respective field?
3. Do you want to build your online presence in the most affordable manner possible?

MindGiant Media has created a variety of packages that expose and elevate your brand to the powers of the Internet and Social Media.

MindGiant Media productions include The Urban Heart Magazine and The Black Dollar Radio Show; your brand benefits by being exposed across our entire platform.

- a. The Urban Heart News is an online magazine that works to empower the residents in distressed urban core communities.
- b. The Black Dollar Radio Show is an Internet radio broadcast that shares financial education and business development strategies for Business Owners to help them keep their revenue in the black.

The (3) packages for MindGiant Media include:

- I. **Growth Intro Package**
- II. **Growth Starter Package**
- III. **Growth Build-up Package**

I. The Growth Intro Package--\$5 (\$1/post)

Includes:

- a. 5 posts on one social media outlet. 1 post each day for a total of 5 days on one of your existing social media accounts of your choice. The posts will be a variety of quotes, pictures and articles that showcase you as an expert in your profession.

*If you don’t have an existing social media account, there’s an additional cost of \$5 for MindGiant Media to create one.
